

Please do not allow the use of cell phones on aircraft. I'm a professional flight attendant and have reasons for this request.

First of all, there is no hard evidence that cell phone use doesn't interfere with navigational equipment.

Cell phone use would enable terrorists to coordinate a plan of action more effectively.

The NPRM would leave it up to flight attendants to police the use of cell phones onboard the aircraft compromising our ability to maintain a safe, secure cabin environment and to conduct emergency evacuations.

It would make an already tense cabin environment even more stressful.
